

FOR IMMEDIATE RELEASE

A.D.M. Doctor of Physical Therapy, LLC Obtains Better Business Bureau Accreditation With A+ Rating

Marco Island, Florida — A.D.M. Doctor of Physical Therapy, LLC is pleased to announce that it has obtained accreditation from the Better Business Bureau (BBB) and has received an **A+ rating**.

This accreditation reflects the company's commitment to ethical business practices, transparency, responsiveness, and delivering a high standard of professional care to the community it serves. BBB accreditation is awarded to businesses that meet the organization's Standards for Trust, including building trust, advertising honestly, being transparent, honoring promises, safeguarding privacy, and embodying integrity.

"Receiving BBB accreditation and an A+ rating is a meaningful acknowledgment of our values," said Anthony Daffner-Milos, DPT, Owner of A.D.M. Doctor of Physical Therapy, LLC. "Our clients place their trust in us during important moments in their health and recovery. We are committed to earning that trust every day through individualized care, clear communication, professionalism, and respect."

A.D.M. Doctor of Physical Therapy, LLC provides physical therapy services designed to help individuals improve mobility, manage pain, recover from injury or surgery, and work toward their personal functional goals. The practice emphasizes patient-centered treatment plans tailored to each individual's needs, abilities, and lifestyle.

The BBB accreditation and A+ rating reinforce A.D.M. Doctor of Physical Therapy, LLC's dedication not only to clinical quality, but also to maintaining a dependable and trustworthy experience for patients, families, referral partners, and the Marco Island community.

For more information about A.D.M. Doctor of Physical Therapy, LLC, or to inquire about physical therapy services, please contact the practice directly.
